

Phishing Assessment

About the Service/Feature

Measuring the extent to which employees respond to fraudulent messages, by sending fake messages and persuading them to send their private information or open links and attachments. A report is provided to the entity on who opened the email and clicked on the link, and who provided their private information. The report helps in assessing the level of employees awareness on security risks

Service steps

- Step 1** → Log in using UAE Pass
- Step 2** → Submit a service request
- Step 3** → Receive the Rules of Engagement document from TDRA
- Step 4** → Fill-in the form and provide the required data
- Step 5** → Processing Phishing Assessment
- Step 6** → Receive employee security awareness report
